Defendants.)	

The Court's August 25, 2010 Case Management Order sets forth a pretrial conference date of April 11, 2011, and a jury trial date set to begin on April 25, 2011. *See* Dkt. #34. However, pending before the Court is Defendant's summary judgment motion set for a hearing on May 5, 2011. That motion is subject to an expedited briefing schedule, and the Court plans to issue a decision on that motion promptly after briefing is complete. Accordingly, the Court continues the pretrial conference to May 5, 2011 at 1:30 p.m.

The Court will also continue the jury trial start date. The Court is available for a jury trial, which in this case is estimated to last four (4) court days, the weeks of May 23, 2011, May 31, 2011, and June 13, 2011.¹ **By Wednesday, March 30, 2011**, the parties shall file a joint status report informing the Court of their availability on these dates, or suggesting similarly prompt dates

¹ The undersigned's trial standing orders and daily schedule for trial are available on the Court's public website.

upon which they are available. In their status report, the parties should also confirm the length of trial.

IT IS SO ORDERED.

Dated: March 22, 2011
